

# ACTIVE FOAM

**Concentrate for thorough, careful and large-area cleaning of the body, tarp and chassis of commercial vehicles and busses.**

Designation	Contents in l	Art. No.	P.Qty.
Barrel	200	<b>0893 035 200</b>	1
Barrel	60	<b>0893 035 060</b>	
Tap for 60 l barrel		<b>0891 302 03</b>	

- ▶ With regular use, time-intensive brushing is almost totally eliminated.  
**Your advantage:**  
Up to 50% savings in time per wash!
- ▶ PH-neutral, free of aggressive bases and acids.  
**Your advantage:**  
Skin-friendly and gentle on varnish and tarps!
- ▶ Highly effective cleaning, as the static film is broken by the intensive working in of the foam, which results in a deep-clean.  
**Your advantage:**  
Saves material, as multiple applications are unnecessary!
- ▶ Product is silicate-free.  
**Your advantage:**  
No streaking after washing!
- ▶ Our 200 l / 60 l barrels can be disposed of via the DSD (German Dual System) („Grüner Punkt“/“Green dot“).  
**Your advantage:**  
No problems with disposal after emptying!
- ▶ Impregnates the tarp and keeps it flexible in comparison to conventional tarp cleaners.  
**Your advantage:**  
No drying out or bleaching of the tarp!
- ▶ White cleaning foam.  
**Your advantage:**  
Saves material, as the foam is laid into the surface visibly!
- ▶ The product is AOX- and phosphate-free. Can be separated off pursuant to Env. Standard B 5105.  
**Your advantage:**  
No waste-water problems!
