

COCKPIT CARE

**Interior care for plastics,
with fruity scent.**

**High-quality carnauba waxes
together with jojoba oil provide
optimum care**

- Freshens up colours and gives them a satiny gloss
- Plastics remain elastic, prevents creaking and squeaking noises
- Neat and looks like new (new car look)

Gentle on materials

The pre-determined breaking points of the (passenger) airbag are not affected

**Provides lasting protection
against environmental influences**

- Protects against ageing and stops the material becoming brittle
- Does not bleach the cockpit
