

CORDLESS IMPACT DRILL DRIVER ABS 18 POWER COMBI M-CUBE®

Description	Art. No.	Pack Qty.
Cordless impact drill driver ABS 18 Power Combi M-CUBE® Skin Only	5701 405 000	1

Nominal voltage	18 V/DC
Max. impact rate	3,200 U/min(rpm)
Min./max. drill chuck span width	1.5 - 13 mm
Weight of machine with rechargeable battery	2.3 kg
Number of rechargeable batteries	2 pieces
Rechargeable battery/battery capacity	5 Ah
Length	215 mm
Height	260 mm

Contents for Art. No. 5701 405 015 (Kit)	Art. No.	Qty.
Battery Li-Ion 18 V M-CUBE Basic 5 Ah	5703 450 000	2
Charger ALG 18 Volt M-CUBE ALG 18/6 FAST	5705 860 010	1
Case insert for MASTER machines	5801 842 404	
System case 8.4.2	5581 011 000	

Brushless motor:

Longer working life of the EC-motors, low-maintenance, as carbon brushes do not have to be changed. More efficient and powerful motor with reduced size.

Electronic motor protection function:

Continuous motor monitoring increases its service life, since the motor is shut off quickly in the event of overloading, overheating or a jam.

Drill chuck:

13 mm solid metal drill chuck with carbide jaws for optimal retention of the clamped tool.

Very powerful, handy cordless impact drill driver with selectable hammer drill mechanism and a torque of 140 Nm, developed by Würth to meet the requirements of tradesmen.

Fast adaptation to the respective application.

The function selector switch allows easy, fast switching between screwdriving, drilling and impact drilling.

Robust design.

For tough conditions on construction sites, all components can also withstand a fall from normal working heights.

Continuous motor monitoring.

The electronic motor protection function switches the motor off ahead of time in the event of blockage, overloading or overheating.

Long motor service life.

Efficient, low-maintenance, brushless EC motor with power reserves. Also maintains a more stable speed curve under load.

Maximum service life and low wear.

- 13 mm Röhms metal drill chuck with soldered carbide clamping jaws.
- Electronic signal switch.

Well-lit working area.

LED lamp on the battery block.

Lifetime warranty against manufacturing defects.

- 5 year warranty on tool.
- 2 year warranty on batteries.
- 2 year warranty on battery chargers.
