

INTERIOR PROTECTION

5-in-1 Interior Protector Set

- All necessary protectors are provided on a single tear-off.
- Easy logistics, because it's just one article.
- Saves storage space and dispenser systems.
- Suitable for most passenger car interiors.
- Supports mechanics in complying with the required quality standards.
- All protectors are packed in a dust-proof dispenser carton.

Seat protector and floor mat

- Perfect fit and adhesion with anti-slip underside.
- Transparent headrest area enables a clear view when driving in reverse and during test drives.
- Protection against oil, dirt and water.

Protective film for steering wheel, shift lever and handbrake

- The multilayer film is especially anti-slip and adhesive.
- High-stretch film, elastically adapts to shapes.
- Transparent material is used to recognize symbols.
- Protects the control elements against soiling.

Protective element	Length in mm	Width in mm	Thickness in mm
Seat protector ①	1,400	760	0.015
Floor mat ②	700	510	0.015
