Details/Application

For cleaning and care of passenger car, truck and bus interiors. For instruments, door coverings, plastics and rubber mats.

Instructions

Spray directly onto the surface to be cleaned from a distance of approx. 20 cm and wipe away with a clean, dry cloth.

Notice

Do not spray on the windscreen and side windows. Air the vehicle interior briefly following application.

The usage instructions are recommendations based on the tests we have conducted and our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee consistent quality of our products. We reserve the right to make technical changes and further develop products.
