

Cordless application gun AKP 12 COMPACT M-CUBE

Very compact and handy cordless application gun for low- to medium-viscosity adhesives and sealants

- Standard for 310-ml cartridges, can also be used for 400-ml and 600-ml bags thanks to optional accessories
- Immediate decoupling of the push rod and automatic return prevents dripping/running of the sealant/adhesive
- Charge status display on the battery ensures continuous monitoring of the remaining battery capacity.

Illustration only

2 Years WÜRTH MASTERPLUS Warranty for wear damage and replacement of batteries and chargers

The current WÜRTH MASTERPLUS warranty conditions must be observed.

3 Years Warranty on manufacturing and material defects

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.
